## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 MARCH 2018

---

The trustees present their report and financial statements for the year ended 31 March 2018.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

#### **Objectives and activities**

Following the closure of the St Georges Road community centre in 2012 and subsequent transfer of its interest in the site in June 2013 the company has been unable to directly provide community facilities since then. Following a series of wide ranging discussions with various interested parties including at the 2014 AGM, it was agreed that the trustees should develop other ways to support the provision of local community space to previous and new user groups including via a new website promoting local community space. The new website, Wimblecomm, was launched in September 2016.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the WCA should undertake.

The trustees are mindful of keeping the mix heavily in favour of public benefit and are focussed on supporting the provision of new facilities to meet those aims. Among the objectives of community users are health, education, sporting, arts, social and self-help.

#### **Achievements and performance**

Following the successful completion of the handover of the old centre to Merton Council in 2013/14 the trustees decided to invest a proportion of the available funds via the CCLA in July 2015. The purpose of this is to provide a dividend to support the website and supporting activities.

Following a demonstration of an initial version of the new website at the 2015 AGM and further constructive feedback from that session and various other meetings, the Wimblecomm site was further developed and opened up to the public in September 2016. Susanne Ollig was also recruited as a new part time employee to assist with the development of the site and develop further links with the community.

The initial intention of Wimblecomm was to be a one stop shop for organisations seeking community space to let or for people to hire. We are thankful for the support of the various organisations who have been engaged with us so far and welcome any new organisations who wish to join us.

Between August and November 2017, we undertook an on-line survey to establish users views on the Wimblecomm which we reported on at the 2017 AGM. In January 2018 we commissioned a report from Superhighways on the technical functionality of our site and have acted on several of the recommendations.

Since April 2018 we have worked on a student project with the US based Worcester Polytechnic Institute (which reported in June) and have subsequently embarked on an internal options appraisal / business planning exercise.

We took on an additional temporary member of staff (Genevieve Farrell) in April for an initial 6 months (now extended to December 2018) and have developed the site using the new Elementor software. We have further developed the events section, started an e-newsletter and added some events reviews and other blogs to the site. Our site traffic (as measured by google stats) and on-line social media presence continues to expand.

As at the end of September 2018 we have 89 different 'not for profit' venues registered on the site (compared with 66 reported in September 2017). We are now beginning to explore paid for registrations on the site with commercial organisations.

## TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2018

---

The trustees believe that this is a useful way with which to promote community facilities in the area and maintain its previous legacy.

Trustees have, nevertheless, been mindful of our object to establish a community space and have been in dialogue with various organisations during the past year and will be giving an update on latest discussions and our current thinking on the Wimblecomm business plan and our wider objects at the AGM.

The WCA was previously able to facilitate major work with a number of groups before the closure of the old centre. Groups which it has previously supported include the following: adults with learning difficulties; homeopathic clinics; martial arts; drama; music appreciation, current affairs and art for older people; WAAFA; Scottish dance; alcoholics anonymous; drink awareness courses; cultural groups; athletics, football and Korfbal clubs; flower club; women's groups; choir practice; English language courses for overseas students; blood donor sessions; local electoral services; fetes; residents associations; Urdu language and poetry; wedding and other receptions; first aid courses; animal welfare; rambles; Bridge; Pythagoreans; flag days; and Zumba exercise gatherings. The WCA is seeking to ensure that it continues to support the provision of facilities for as many of these groups as possible

### **Financial review**

Following the closure of the St Georges Road centre in 2012 and the disposal of its interest to Merton Council in 2013, the trustees decided to invest a significant proportion of those funds (£600,000) via the CCLA. At March 2017 the Fund was valued at around £665,000 and at March 2018 this had increased to about £677,000. The CCLA Fund value has since grown to over £743,000 at the end of September 2018.

The fund also generated a dividend of over £23,000 in 2017/18. This broadly matched our staff and website development costs along with other administrative expenses.

Since April 2018 the trustees have chosen to invest more financial resources in Wimblecomm and are currently budgeting to spend £38,000 in 2018/19. This is being funded from the anticipated capital growth on top of our annual dividends (which is assumed again to be around £23,000). The additional expenditure has primarily been targeted at extra staffing, marketing and some website costs.

In the short term the WCA does not intend to charge charitable and non-profit organisations supplying space. This policy will be kept under review as the website further develops.

Following the disposal of its interest in the St Georges Road site in June 2013 the trustees have put systems in place to ensure its assets are protected and to mitigate its exposure to subsequent risks.

### **Plans for the future**

With Wimblecomm having now been in operation for more than two years, the WCA will look to further develop its on line presence as part of its business planning process and look at ways of monetising its service to justify the additional investment. The trustees are keen to add to their number and ensure that a succession policy is in place for the future. New trustees are due to be introduced at the 2018 AGM.

We continue to review our options including alternative physical premises and work, where appropriate, with other interested parties including Merton Council to help deliver our future plans. We will also be looking to update our constitution as necessary in future.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF WIMBLEDON COMMUNITY ASSOCIATION

---

I report to the trustees on my examination of the financial statements of Wimbledon Community Association (the charity) for the year ended 31 March 2018.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2018

---

### 1 Accounting policies

#### Charity information

Wimbledon Community Association is a private company limited by guarantee incorporated in England and Wales. The registered office is St Christopher House, Tabor Grove, Wimbledon, London, SW19 4EX.

#### 1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### 1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2018

---

### 1 Accounting policies (Continued)

#### 1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	3 years straight line
-----------	-----------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

#### 1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at the cash or other consideration expected to be received and not discounted. Financial assets classified as receivable within one year are not amortised.

# WIMBLEDON COMMUNITY ASSOCIATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2018

### 1 Accounting policies

(Continued)

#### **Basic financial liabilities**

Basic financial liabilities are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised. They are subsequently carried at the cash or other consideration expected to be paid and not discounted.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at at the cash or other consideration expected to be paid and not discounted.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### 1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
