**SUPERHIGHWAYS WEBINAR - Making your Stories Count**

We are delighted to work with Superhighways, a Kingston based consultancy which specialises in helping London based Community and Voluntary Sector organisations make the most of digital. This interactive session will start after the formal part of the AGM at 2.30pm and the AGM/Webinar will finish by 3.45pm.

Funders, donors and the people you support all need to know that your organisation can make a genuine difference, yet sometimes telling people about your impact is almost as hard as measuring it in the first place! Join this interactive session to discover ways to create reports and ongoing impact content that will celebrate the story of your work, using online digital tools that are free or low-cost.
