NEW TRUSTEES WANTED

South Mitcham Community Association (SMCA) is looking for new Trustees. We are a small charity, running a much-valued community centre in the heart of Mitcham.

We are looking for people to join our Board of Trustees, helping us to meet our ambitions in creating a Community Hub.

If you have an interest in any of the following, then we would love to hear from you:

- Community development and outreach – meeting new people
- Developing new projects and activities
- Listening to others and putting forward their ideas and views
- Being an advocate and representing the charity

We need people with a range of skills, but commitment, interest and passion are just as important.

We meet every 2 months, and there may be the odd additional meeting, bit of work in-between.

This is a **voluntary** (unpaid) role.

For more information or to apply please contact info@smca.org.uk or pop into the office for a chat.
